Left Earbud

<p>EUT View 1</p>	
<p>EUT View 2</p>	

<p>EUT View 3</p>	 A photograph showing a black earbud from a top-down perspective. The earbud is positioned on a light blue surface with a fine, repeating dot pattern. Below the earbud is a black ruler with white markings and numbers. The ruler is oriented horizontally, with the numbers 20, 30, 40, 50, 60, 70, 80, and 90 visible. The earbud's stem is pointing towards the right side of the frame.
<p>EUT View 4</p>	 A photograph showing a black earbud from a side perspective. The earbud is on the same blue textured surface. Below it is the same black ruler with white markings. The ruler is oriented horizontally, with the numbers 10, 20, 30, 40, 50, 60, 70, 80, 90, and 100 visible. The earbud's stem is pointing towards the right side of the frame.

<p>EUT View 5</p>	 A black, irregularly shaped component is shown from a top-down perspective on a blue textured surface. A black ruler with white markings is positioned below the component for scale. The ruler shows markings from 20 to 100, with the number '200' appearing twice, likely indicating a 200mm scale.
<p>EUT View 6</p>	 A black component with a cylindrical protrusion and a logo is shown from a side perspective on a blue textured surface. A black ruler with white markings is positioned below the component for scale. The ruler shows markings from 20 to 100, with the number '200' appearing twice, likely indicating a 200mm scale.

Right Earbud

EUT View 3

EUT View 4

<p>EUT View 5</p>	 A black earbud component is shown from a top-down perspective on a blue textured surface. A black ruler with white markings is positioned below the component, showing measurements in millimeters. The earbud has a curved stem and a circular ear tip.
<p>EUT View 6</p>	 A black earbud component is shown from a different top-down perspective on a blue textured surface. A black ruler with white markings is positioned below the component, showing measurements in millimeters. The earbud has a curved stem and a circular ear tip.
