

FCC Label

1. Label

5mm

FCC ID: 2AETW-1251

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The label features a green rectangular border. Inside the border, from left to right, are the following elements: a red '5mm' text label, a circular icon with the number '10' and arrows, a recycling symbol, a circle containing the letters 'BC', and a crossed-out trash can icon. Below the 'BC' icon is a small black rectangular mark.
