

EXHIBIT 4 - TEST SETUP PHOTOGRAPHS

**Conducted Emission
Test Setup**

**Radiation Emission Test
Setup (Below 30MHz)**

<p>Radiation Emission Test Setup (30MHz to 1GHz)</p>	<p>A photograph of a radiation emission test chamber. The walls are covered in white, square-shaped pyramidal absorbers. A yellow cylindrical object is positioned in the center of the chamber. To the right, there is a metal structure with several vertical poles. A bright light source is visible in the upper left corner.</p>
<p>Radiation Emission Test Setup (1GHz to 18GHz)</p>	<p>A photograph of a radiation emission test chamber. The walls are covered in white, square-shaped pyramidal absorbers. A yellow rectangular object is positioned in the center of the chamber. To the right, there is a red antenna structure. The floor is covered with blue, pointed absorbers.</p>

Radiation Emission Test Setup (Above 18GHz)
