

# Emanate Wireless, Inc.

## **Declaration of difference**

We: Emanate Wireless, Inc.

Product: Emanate PowerPath™ Tag

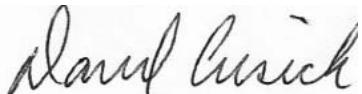

Model list: PPT-200, PPT-300

All models have the same technical construction including circuit diagram, PCB Layout, all electrical construction and mechanical construction, except the PPT-300 added audio input port and AC line is different.

Above differences wouldn't influence the RF performance.

Yours sincerely,

Signatory
