

Bak USA Technologies Corp.

FCC Class II Permissive Change Request Letter

2018-06-01

To FCC:

RE: FCC Permissive II Change Request for Company: Bak USA Technologies Corp.

FCC ID: 2AEY7-S8A003

We are submitting an application for a class II permissive change to the FCC approval of the Company name: **Bak USA Technologies Corp.**, product description: **Tablet PC** (FCC: **2AEY7-S8A003**, Original Grant Date: **2018-01-03**). The transmitter module itself has not changed. Here are the changes:

The New application is added the 802.11 ac(HT20)/ ac(HT40)/ ac(HT80) function from the original device through software. The others is the same as original.

All of the FCC RF radiated and conducted test method were tested and shown the data on the report. The SAR also evaluated and conform the standards.
