

(Permanent or also called long term confidentiality is the normal method to keep certain documents confidential, and may apply to schematics, block diagrams, operational description and bill of materials.)

**To: Federal Communications Commission
 Equipment Authorization Branch
 7435 Oakland Mills Road
 Columbia, MD 21046**

Pursuant to 47 CFR Section 0.459(a) & (b), we,

(the applicant / grantee)

Company name **Azlan Logistics Limited**
 Address **Redwood 2, Chineham Business Park, Crockford Lane,**
 City **Basingstoke, Hampshire, RG24 8WQ**
 Country **United Kingdom**

request for this certification filing under:

	Grantee Code	Product Number
FCC ID:	2AF6C	-CS1600P

to maintain **permanent confidentiality** for the following documents submitted within this application:

(please cross what is applicable, or add other documents, provide the file name and description)

	Exhibit	File Name	Description
✓	Operational Description	Operational Description	explaining the functioning of the block diagram
✓	Block Diagrams	Block Diagrams	showing the systematic building blocks of the EUT
✓	Schematics Diagrams	Schematics	showing components, their values and interconnection
	Bill of Materials		List of components used on the PCB's of the EUT

Above materials crossed contain secrets, proprietary and technical information, which would customarily be guarded from competitors under 47 CFR, section 0.457(d)(2). Disclosure or publication or any portion of this company confidential material to other parties could cause substantial competitive harm and provide unjustified benefits for competitors. We understand that pursuant to 47 CFR section 0.457(d)(1)(ii) disclosure of the applicant and all accompanying documentation will not be made before the date of the grant. The documents indicated as confidential above, are not publicly available elsewhere.
