

Getting started with Blink is easy!

1. Download the Blink Home Monitor app.
2. Remove the back cover from your Video Doorbell using the included tool and insert the batteries.
3. Add your Video Doorbell to your account in the Blink app.
4. Select wired or wire-free configuration in the app and follow the instructions to complete setup.

For setup, mounting and hardwire installation instructions, go to blinkforhome.com/setup or scan the QR code.

WARNING. Risk of electric shock. Do not directly connect your Video Doorbell to the electrical main.
