Using your headset

Function	Button	Beep / Buzzer	Status indicator
POWER ON	Press and hold the MFB for 2 sec	Short beep	Flash blue light twice
When you turn on your headset for the first time, the headset proceeds into pairing mode, i.e. the status indicator flashes blue and red alternately, so that you can immediately pair with your mobile phone.			
POWER OFF	Press and hold the MFB for 2 sec	Long beep	Flash red light and then goes off
Incoming call		Ringtone through the earphone and buzzer ON(depends on buzzer pattern)	Flash purple
Answer / End a call		Press the MFB once	
When there is 2nd incoming call, press MFB can hold the current call and answer the 2nd incoming call!			
Adjust Volume	Press Volume	Short beep at max. volume	
Last no. Redial*	In standby mode, double click MFB		
Reject incoming call	Press MFB for 2 sec	Short beep	

Resetting Your Headset / Removing the pairing History
You may reset the headset to its default settings.
Resetting will also remove the pairing history of your headset with the mobile phone.

- 1.During off mode , hold the Volume then plug the charging cable into the charging socket. The indicator will light in solid purple.
- 2.Release the Volume.
- 3.Hold the Volume for 2 sec until the status indicator blink in purple for 3 times.
- 4.Release the Volume and the headset will return to charge mode. Now the headset is reset . Bluetooth headset is designed to work with Bluetooth devices. Due to large variability between different Bluetooth devices from different manufacturers, interoperability between the headset and all Bluetooth –enabled products is not guaranteed.

Hereby, Shenzhen Pacemaker Electronic Technology Co., Ltd., declares that this Bluetooth Headset is In compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC.
