

<p>Solder Board-Component View 5</p>	 <p>A close-up photograph of a small green component on a PCB. A black ruler is placed below the component for scale, showing measurements in millimeters. The component is positioned near the 10 mm mark on the ruler. The background is a blue textured surface.</p>
<p>Antenna View</p>	<p>BT TX Antenna</p>  <p>A photograph of the PCB showing various components. A red box highlights a component labeled "BT TX Antenna". The PCB is populated with various components including resistors, capacitors, and integrated circuits. The text "LED-Glasses- 2023.08.03" is visible in the bottom right corner of the PCB.</p>
