To Whom It May Concern:

We have contacted ACB regarding this matter, asking for their assistance in requesting the FCC to place this application (see below) into Audit Mode in order for the following exhibits to be superseded and marked as Short Term Confidentiality ("STC"). Our device is still in clinical trials so it will not be released until late this year.

We have asked that the STC be for the maximum number of days allowed, 180 days from the date the grant was issued which would be July 19, 2021. Below are the exhibits for this request:

- Photos: External and Internal
- User's Manual

We are aware that these exhibits have been public knowledge since **January 20, 2021**.

FCC ID: Grant Issued
2AFDI-ITCOQ626S January 20, 2021
DSS: TC972060
DTS: TC619519
UNII: TC504540

Please let us know if there is any additional information that we need to supply in order to process our request through ACB.

Respectfully submitted,

Fathi Hakam
Vice President, Engineering
