Attestation Letter for Low Power Indoor Client (6XD)

FCC ID: 2AFG6-SI07E

Federal Communications Commission
Authorization and Evaluation Division

Attention: OET Dept.

We, **Guangzhou Shirui Electronics Co., Ltd**, attest that this device complies with device protocol the following requirements and operational restrictions:

1. This device will only associate and connect with a low-power indoor access point or subordinate device and never directly connect to other client devices.
2. This device will always initiate transmission under the control of a low-power indoor AP or subordinate except for brief transmissions before joining a network. These short messages will only occur if the client has detected an indoor AP or subordinate operating on a channel. These brief messages will have a time-out mechanism such that if it does not receive a response from an AP and It will not continually repeat the request.
3. Transmissions will be lower or equal to the power advertised by the indoor low-power access point or subordinate and never above the maximum output power allowed by the FCC grant for equipment class 6XD.

Furthermore, we fully understand this device is prohibited for control of or communications with unmanned aircraft systems, including drones.

Sincerely,

Name: Sarah Sun
