

DBT-TAYLOR

Quick Start Guide

For complete instructions on DBT-TAYLOR Setup and the TAYLOR App, visit www.taylorhearing.com and select: 'Products'

Do This First! (Get Hooked Up)

1. Turn D-2.1 Power OFF!
2. With the D-2.1 installed as described in the D-2.1 User Guide, using a Cat5e/6 cable, connect Receiver OUT on the DBT-TAYLOR to Receiver IN on the D-2.1.
3. The DBT-TAYLOR has a magnet in the bottom. To mount the DBT-TAYLOR, simply allow the magnet in the DBT-TAYLOR to attach to the D-2.1 chassis, or other magnetic surface. Of course it can also be set on a shelf or stuck to the side of a cabinet using Command Strips™.

Do This Next! (Get Sync'd)

1. With the DBT-TAYLOR connected and installed, turn D-2.1 power ON. The power LED on the DBT-TAYLOR will illuminate solid orange. The Sync LED will slow flash blue.
2. In the tablet Settings, open the Bluetooth menu. If OFF, turn Bluetooth ON. In the list of available Bluetooth devices, select Beale BT. Device status should change to Connected.

Now Do This! (Play Music)

1. With the DBT-TAYLOR and D-2.1 sync'd for Bluetooth select some tunes...go ahead...select anything from the tablet or stream from the net.
2. Volume and transport functions, (play, pause, etc) can be controlled with either the tablet controls or the D-2.1 IR Remote!

What You Really Want To Do Is This! (Everything!)

1. Download the TAYLOR App from the App Store (iOS Devices) or Google Play (Android Devices). The App will give you the ability to configure the D-2.1 for volume, balance, audio-sensing for power management, source priority, EQ, subwoofer crossover, slope, phase and high-pass. Setups can be saved and modified for use in future installations.

FCC Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.

Warning: Changes or modifications to this unit not expressly approved by the part responsible for compliance could void the user's authority to operate the equipment.

IMPORTANT NOTE: Radiation Exposure Statement:
This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

Limited Warranty

All in-wall, in-ceiling, outdoor speakers, volume controls, and freestanding loudspeakers have a Lifetime Limited Warranty. This warranty includes lifetime parts and repair on components. Powered subwoofers and Xpress amplifiers have a two (2) year limited warranty. This warranty includes two (2) year parts and repair labor on components. Xpress obligation under this warranty is limited to repairing or replacing any component found defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified, disassembled, or repaired by anyone other than Xpress or one of its appointed service centers. Products to be repaired under this warranty must be returned to the factory or designated service center with all transportation and insurance charges pre-paid.

IMPORTANT: This warranty is ONLY valid if the product is purchased through a Certified Xpress Dealer. Proof of purchase may be required.

Note: It is the policy of Xpress to continuously incorporate improvements into our products. All specifications, warranty terms, and prices are subject to change without notice.
