CONFIDENTIALITY REQUEST

Federal Communications Commission Date:  
Equipment Authorization Branch  
7435 Oakland Mills Road  
Columbia, MD 21046

Gentlemen:

Smart Earth Technologies LLC respectfully requests confidentiality of certain materials provided with the submission of the SET 100 Smart Valve under FCC ID: 2AFJSSET100-2015 in accordance with 47 CFR 0.457(d) and 47 CFR 0.459. The confidentiality request applies to the Exhibits contained in this filing and included in the following files.

14-0039 – Schematics.pdf  
14-0039 – System Block Diagram.pdf  
14-0039 – Theory of Operation.pdf

The SET 100 Smart Valve has been developed at considerable effort and expense by Smart Earth Technologies LLC. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

A handwritten signature in dark ink, appearing to read "Steve Askew". The signature is fluid and stylized, with a large loop at the beginning and a long, wavy tail.
