

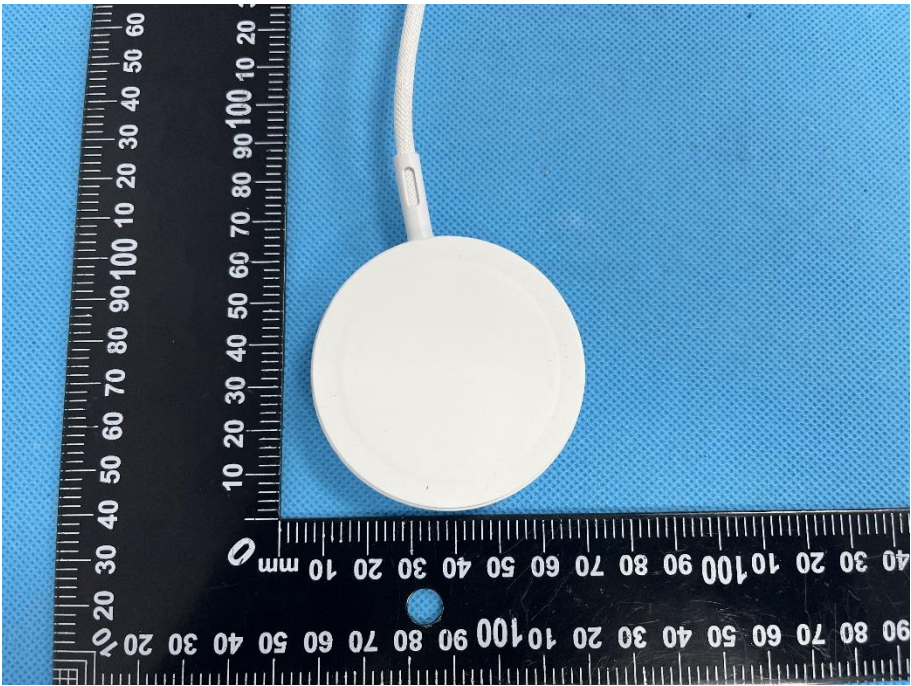

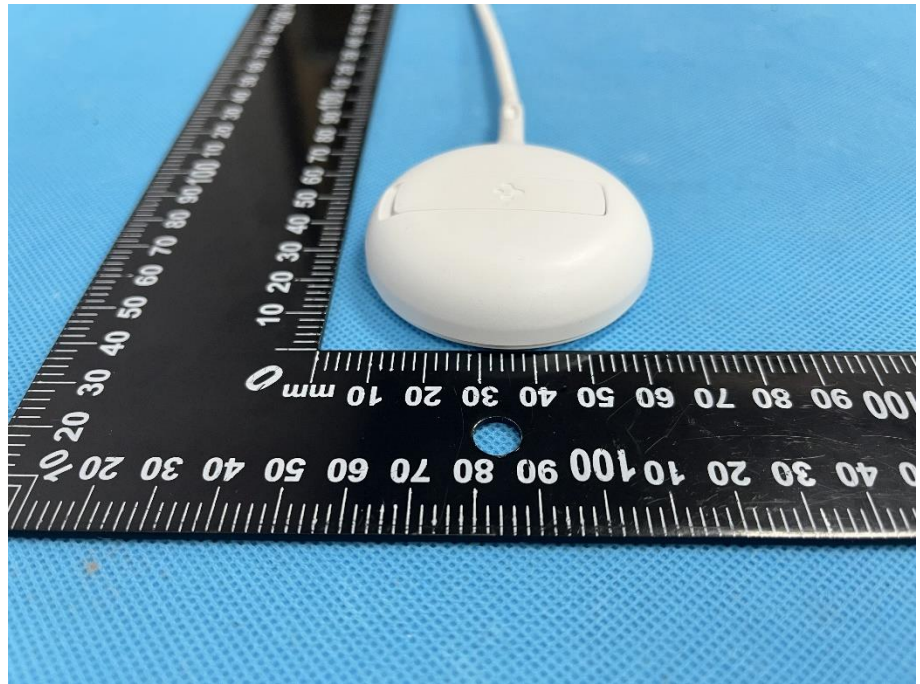

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

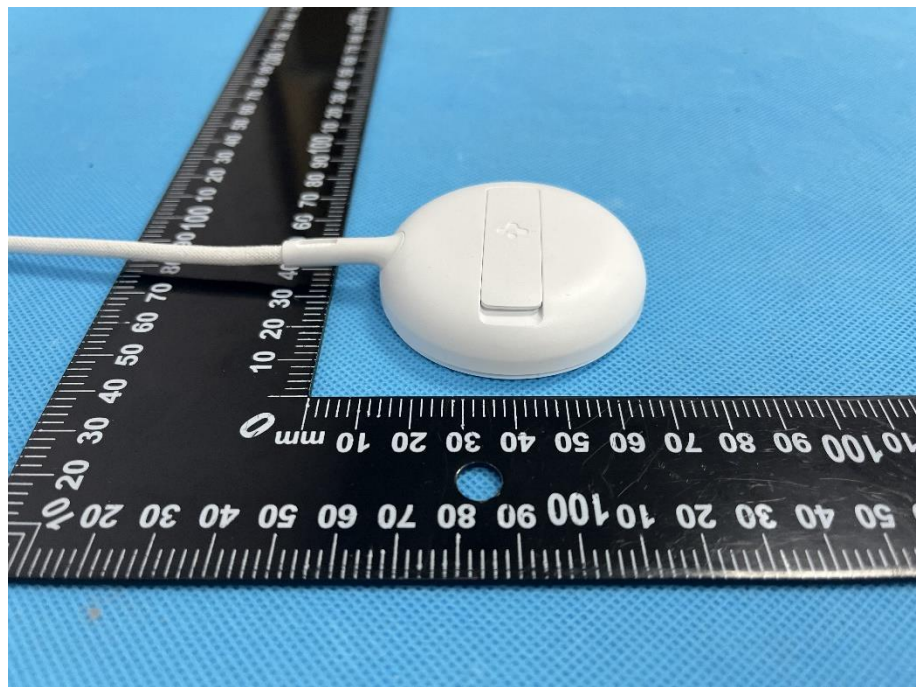

EUT View 1	 A photograph showing two circular External Under Test (EUT) devices. The device on the left is white with a white cable, and the device on the right is black with a black cable. Both cables are coiled. They are placed on a blue fabric surface next to a black ruler with white markings. The ruler is oriented vertically, showing measurements in centimeters and millimeters. The white device is approximately 10 cm in diameter, and the black device is approximately 10 cm in diameter.
