Wireless Stereo Headphone  
User's manual for ROCKERZ 470

**Package Includes:**  
1 Bluetooth Headphone  
1 Micro USB Cable

**Features:**  
• Automatically reconnects with the last connected Bluetooth device.  
• Rechargeable battery provides up to 8 hours of continuous playback.  
• Built-in on-ear controls let you control your music, adjust the volume, and answer calls

### Powering On/Off

- Please ensure the headset is fully charged before use.
- Press & hold the power button for about 5 seconds to power on the device.
- The headphone will emit a beep, and a blue LED will light to indicate the headphone is turning on.
- To turn the wireless Bluetooth headphone off, please & hold the power button again for about 5 seconds until the LED light turns off.

### Bluetooth Pairing/Connection

Switch on the product. Bluetooth mode will be activated automatically. Enable BT function on your media device. Search the Bluetooth device named boAt Rockerz 470. Click or tap to connect (pair). After successful connection (pairing) you will hear a chime. Now you can play music, or use Bluetooth phone functions.

**NOTE: If the boAt Rockerz 470 is not used within 5 minutes, the headphones will automatically turn off to save battery.**

### Music Playback Functions

- Connect your device to the BoAt Rockerz 470 via BT (refer to the "Pair & Connect" section)
- Open your favourite music app and press play.
- Control the music & volume from your device, or control the music & volume from the feather touch area on the right earcup of the headphone.
- Press the Power button once to play/pause music & answer calls, press it twice to redial the last number called on your phone, and press & hold it to reject an incoming call.
- All audio, including music, games, videos, and notifications will be routed through the headphone.

### Touch Functions

- Press & hold A area (refer to the product diagram) to switch to next track.
- Press & hold B area (refer to the product diagram) to switch to previous track.
- Press & hold A area (refer to the product diagram) to turn up the volume.
- Press & hold B area (refer to the product diagram) to turn down the volume.

**Note: Press gesture & touching the correct area will offer you a fluent experience.**

### Trouble Shooting

- No power: Recharge your wireless Bluetooth headphone using the micro USB cable.
- Music not playing over Bluetooth: Make sure your Bluetooth device has the A2DP profile. Check if both devices are paired & connected over Bluetooth. Restart the headphone to reconnect your Bluetooth device.
- Bluetooth device not reconnecting with the headphone: Navigate to your Bluetooth settings menu on your device, tap "boAt Rockerz 470", and select "Forget". Now follow the steps to pair your device again, or press & hold the power button on the headphone (While powered on) to disconnect the headphones.

### Included Cables

#### Micro USB

- To charge your device, Plug the small side of the micro USB cable into the USB charging port on your headset and plug the large end into the USB port on a computer, or AC adapter (Not Included).
- Solid red LED light will appear on the power button to indicate when the headphone is charging, even while headphone is turned off.
- When charging is complete, the LED light will turn blue.
- Charging time is approximately 1-2 hours.

### Warnings & Precautions

- WARNING:** To reduce the risk of fire or electric shock, do not expose this apparatus to rain or moisture.
- CAUTION:** Use of controls or adjustments or performance of procedures other than those specified may result in hazardous radiation exposure.
- WARNING:** Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's warranty.
- WARNING:** Do not place the unit on top of any rough or hard surfaces to avoid damaging the product. Use a protective barrier between the unit and surface to protect the product.
- WARNING:** Use of this unit near fluorescent lighting may cause interference. If the unit is displaying erratic behaviour move away from any fluorescent lighting, as it may be the cause.

### Important Safety Instructions

1. Read the instructions carefully.
2. Do not lose the instructions.
3. Heed all warnings.
4. Follow all instructions.
5. Do not use this apparatus near water.
6. Clean only with a dry cloth.
7. Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.
8. Follow applicable laws and regulations for transport, shipping, and disposal of batteries. For details on recycling lithium, lithium phosphate, and lithium ion batteries, please contact a government recycling agency, or your waste disposal service.
9. Protect the power cord from being walked on or pinched particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
10. Only use the attachment/accessories specified by the manufacturer.
11. Unplug this apparatus during lightning, storms or when unused for long periods of time.
12. Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.
13. Headphones are capable of producing sound levels which can be harmful to your hearing. Do not listen at high volume for prolonged periods of time. Headphones may block out surrounding sounds. Never wear headphones while operating a vehicle. Use with caution. Users assume all risks associated with the use of this product.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.  
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:  
(1) this device may not cause harmful interference, and  
(2) this device must accept any interference received, including interference that may cause undesired operation.
