FIRST TIME USE

- 1 - Make sure that the Wicked Audio Reverb BT is charged, your device turned on, with the Bluetooth feature enabled.
- 2 - Turn on the Reverb BT and the LED will flash red and blue.
- 3 - Your device should detect "Wicked Reverb."
- 4 - Select "Wicked Reverb" to pair and once successfully paired, the LED will slowly flash blue.

LINE IN MODE

When you'd like to use the Reverb BT as normal wired headphones (no Bluetooth), plug the aux cord into the "line-in" port. This is handy for listening to movies on the plane, if you don't want to drain the battery, or if the battery is dead.

HELPFUL TIPS

- 1 - When the line-in port is being used, the button functions cannot be used. Return your product to Wireless mode to be able to use the full range of features.
- 2 - When the line-in port is being used, the Reverb BT will automatically shut down the Bluetooth capabilities if they are not already turned off.

LIMITATION OF LIABILITY Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction. In no event, under any cause of action of theory of liability, shall Wicked Audio Inc., its distributors or suppliers be liable to you or any third party for indirect, incidental, consequential, special, exemplary or punitive damages, of any and all nature whatsoever, arising out of use of or inability to use a product. This includes without limitation, property damage, loss of value of the product or any third party products that are used in or with the Wicked Audio products, even if the Wicked Audio product has been advised of the possibility of such damages that one may encounter. Without limiting the foregoing, you understand and agree that Wicked Audio has no liability for any damages or destruction to the consumer electronics devices or other personal property that are contained in, inside or outside the Wicked Audio products. This includes without limitation, laptops, cellular phones, or other hand-held devices, or any loss of data contained on the foreign device. Notwithstanding any damages that you might incur for general damages, in contract, tort (including negligence) or otherwise, the entire aggregate liability of Wicked Audio and any of its distributors and/or suppliers shall be limited to the amount actually paid by you for the Wicked Audio product giving rise to liability. Some states and/or jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you. The limitations of liability set forth above shall apply to the maximum extent permitted under applicable law.
