

## Tripleplus Controller Label Models

### Product Name: Controller

### Model: CBM-COAMAP-5

| Brand/Item                          | Type/Model      | Short Product description                                           | Label                                                                                                                                                                                                                                                                                                                                        |
