August 18, 2015

To whom it may concern:

Lightspeed Aviation is seeking an original certification for Tango aviation headset transceiver FCC ID 2AFOMT0101 under FCC Part 15.247

The Tango is a wireless noise cancelling aviation headset consisting of the transceiver unit, which is plugged into aircraft audio panel and a headset unit, which is used by a pilot. The headset unit is getting approved under separate filing.

Best regards,

A handwritten signature in black ink that reads "Ed. Vaynberg". The signature is fluid and cursive, with "Ed." on the left and "Vaynberg" on the right, with a large, sweeping flourish at the end.

Ed Vaynberg
Senior Engineer
