Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. Observa Telecom requests that the following documents regarding this submission for FCC ID: 2AFTXQX610C be kept confidential:

Exhibit Type	File Name

Those documents contain detailed system and equipment description and related information about the product which Observa Telecom considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, Observa Telecom considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours Sincerely,

Observa Telecom
