## **Declaration of Differences in Tested Devices**

We, Lemobile Information Technology (Beijing) Co., Ltd, declare on our sole responsibility for the product model named Le X522 as below:

The differences between Le X522 and previous model Le X522 are as below:

1. Changed the antenna supplier 、 antenna layout and antenna matching of GPS/BT/WLAN 3 to 1 antenna.
2. Changed antenna logic in LTE band 2 on non-CA working condition mode and reduced band 2 conducted power in hotspot reducing power mode.
3. The U-NII band 2C working in call on mode the conducted power will 3dBm less than the original case.

Except listings above, the others are all the same as previous version.

Should you have any questions or comments regarding this matter, please have my best attention.

Sincerely yours,

-----
