RE: CONFIDENTIALITY REQUEST FOR HxGN MineProtect OAS-LV models:

- Model: 202 (#898411), FCC ID 2AFYJ-OASLV202
- Model: 204 (#905058), FCC ID 2AFYJ-OASLV204

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the following documents required to be submitted with this application be permanently withheld from public review.

- **Block Diagram**
- **Theory of Operation**

These documents contain detailed system and equipment descriptions and related information about the product, which Hexagon Mining Inc. considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Hexagon Mining Inc. feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

Sincerely,

Humberto Astorga
VP of Financial Controlling and Manufacture
Hexagon Mining Inc, 40 E. Congress St., Tucson Az 85701
