Specifications

Model shutter

operating system	compatible with Android 4.2.2 or newer and IOS 6.0 or newer
Communication	For Bluetooth Version 4.0
Transmit frequency	2.4GHz - 2.4835GHz
Communication distance	10m(30ft)
Battery life	CR2032 x 1 cell/ about 6 months under working in 20 times a day
Dimension	46mm x31,3mm x11,8mm
Weight	About 10g
Bluetooth connection name	BT1818
Turn on the mobile phone, search the Bluetooth name BT1818, connect the device	

Battery

Positive pole upwards to install the battery.
Made in China

FCC Warning Statement

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- - Reorient or relocate the receiving antenna.
- - Increase the separation between the equipment and receiver.
- - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- - Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
