FCC Class II Permissive Change Request Letter

Date: 03/22/2022

Federal Communications Commission

7435 Oakland Mills Road

Columbia, MD 21046

USA

Class II Permissive Change Request for Company: **Baicells Technologies Co., Ltd.**
FCC ID: **2AG32PBS3101S**

We are submitting an application for a class II permissive change to the FCC approval of the Company name: Baicells Technologies Co., Ltd., product description: pBS3101S (FCC ID: 2AG32PBS3101S, Original Grant Date: 06/25/2021). The design hardware and software have not changed. Here are the changes:

1. Add a new Model Number: pBS3101SH
2. Add a new Domain Proxy

And these changes not impact EMC and RF parameter.

Sincerely,

A handwritten signature in black ink that reads "Back Huang". The signature is written in a cursive style.

Baicells Technologies Co., Ltd.
