

CQL1586-B Bluetooth Speaker

Instruction Manual (Read before proceeding)

Power:

- Works on internal rechargeable Lithium battery. Please charge your speaker fully before first use.
To charge the battery :
Using a Micro USB cable (included), insert the jack into "Charging" jack located on the bottom of the unit and then plug the USB connector into the USB port on a computer for charging.
- A red light will indicate the charging situation. When battery is full, the red light will turn off automatically.

Playing Music via Bluetooth

- Turn your Bluetooth speaker on by sliding the power switch located on the back of the speaker to 'ON' position.
- The blue indicator light will flash quickly. This indicates that the speaker is in pairing mode and is searching for your Bluetooth device.
- Make sure the Bluetooth function on your device is turned on.
- Search the speaker named," **SB-01**".
- Once you have selected the speaker, your device will pair without a password. (If your device prompts for a password, enter the password"0000".)
- Once your speaker is paired, the blue indicator light will begin to flash slowly.
- Start playing music on your device. Make sure that you keep your device within a 33 feet range of your Bluetooth speaker.
- Adjust the volume of your device to a comfortable level.
- Turn off the unit when not in use.

Disco Light Operation

- Disco light keeps on once you turn on the speaker.
- Disco colorful light will either work independently or dance to the rhythm of the music.

Caution:

- This is not a toy. Please keep away from small children.
- Please keep away from water / heat.
- Low power may cause poor connection even no working of Bluetooth.
- Do not over charge the battery.
- Battery pack shall not be exposed to excessive heat such as sunshine, fire or the like

FCC Statement

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the

instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
