Re: Kanex

FCC Certification Confidentiality Request

To Whom It May Concern:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. Kanex requests that the following documents regarding this submission for FCC ID: 2AG6ZK168-1066 be kept confidential:

<b>Exhibit Type</b>	<b>File Name</b>
Block Diagram	Block Diagram.pdf
Circuit diagram	Schematic.pdf
Operational Description	Operational Description.pdf

Those documents contain detailed system and equipment description and related information about the product which Kanex considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, Kanex considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours Sincerely,
