Authorization and Evaluation Division 7435 Oakland Mills Road Columbia, MD 21046

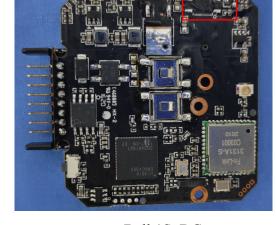

Dear Sir or Madam:

We, Hangzhou Meari Technology Co., Ltd. hereby declare that product name: Wireless DoorBell (model name: Bell 1S, Bell 1S DC. FCC ID: 2AG7C-BELL1S). Bell 1S and Bell 1S DC are designed based on the same product, only slight differences between them. Bell 1S has been tested by BACL.

The differences of them are as follows:

- 1. Model name.
- 2. Bell 1S DC has fewer components than Bell 1S (these components(highlighted in red) control the mechanical bell, which doesn't affect the RF performance, so the radio parameters of them are the same). Please check the photo as below:
