Differences Declaration

To Whom It May Concern:

Salus Controls Inc. hereby declares:

The product model numbers SX885ZBBB, SX885ZBMN, SX885ZBDR, SX885ZBLG, and SX885ZBDG are identical with respect to functionality, PCB layout, electrical circuits, and interior structure, which was tested by Global United Technology Services, Co., Ltd.

The only differences are the housing color and the model number for commercial purposes.
