

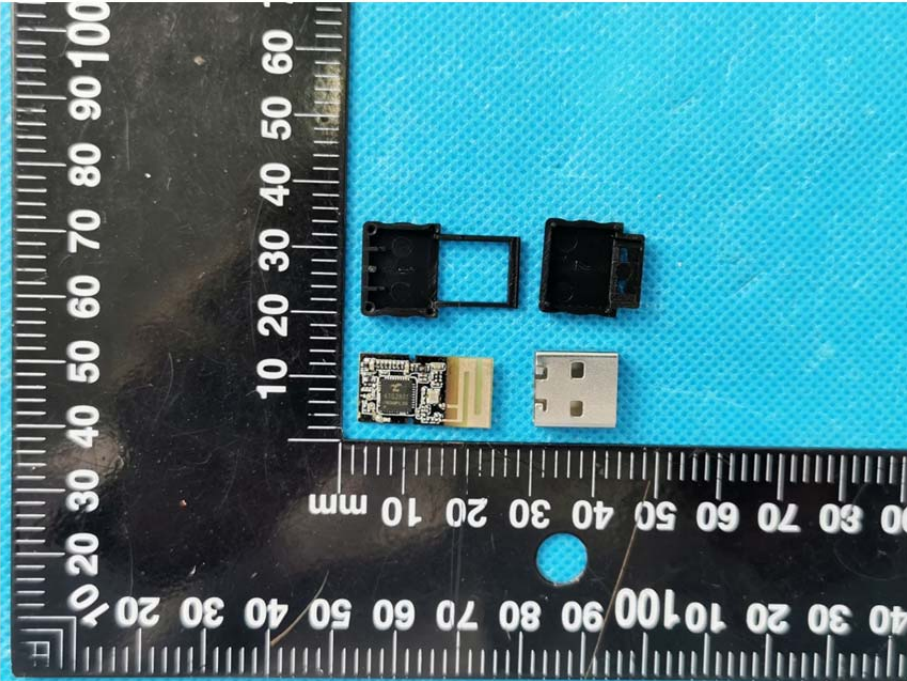

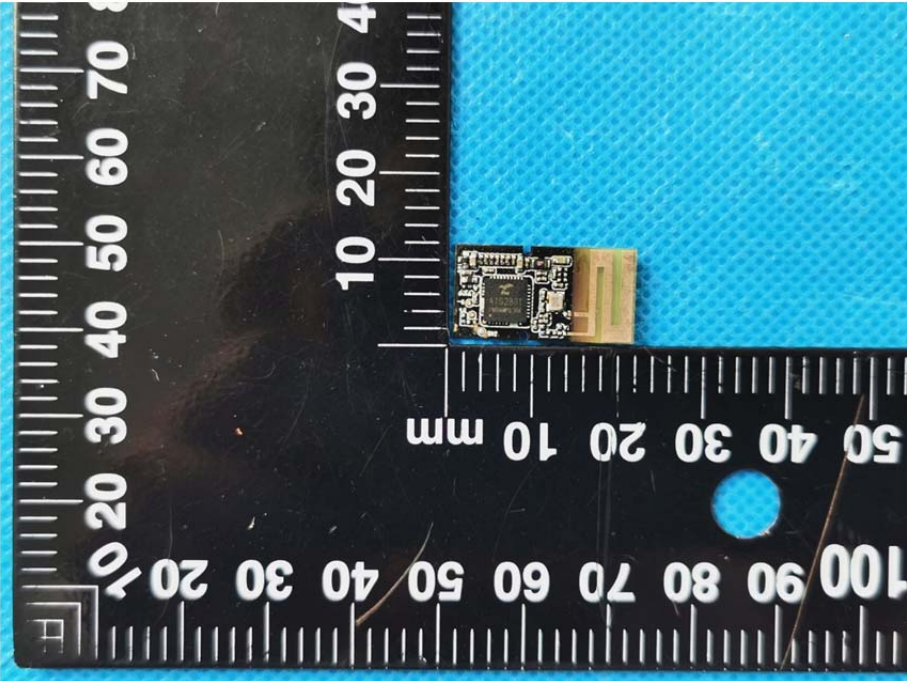

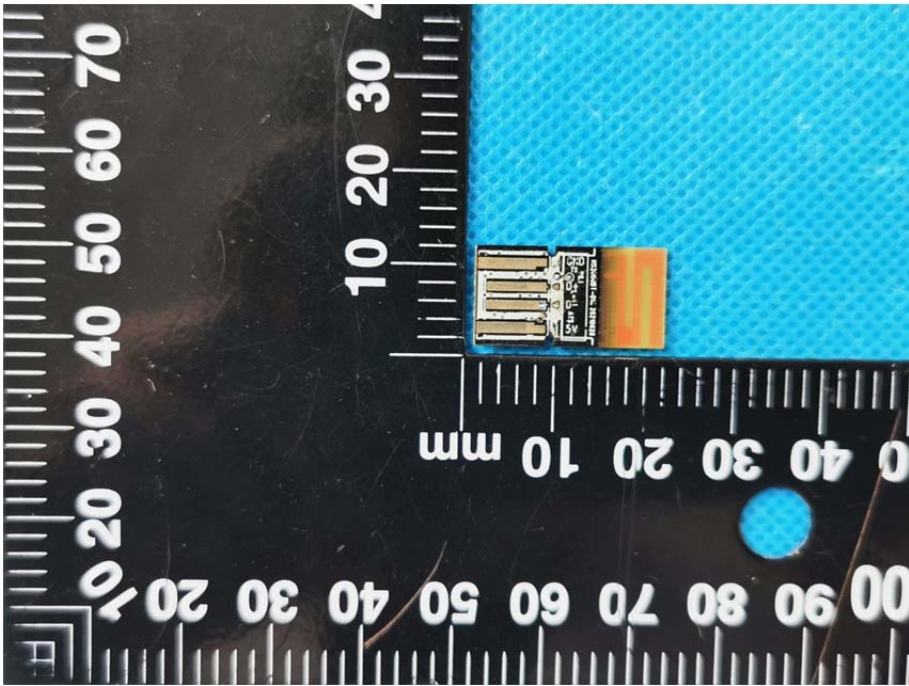

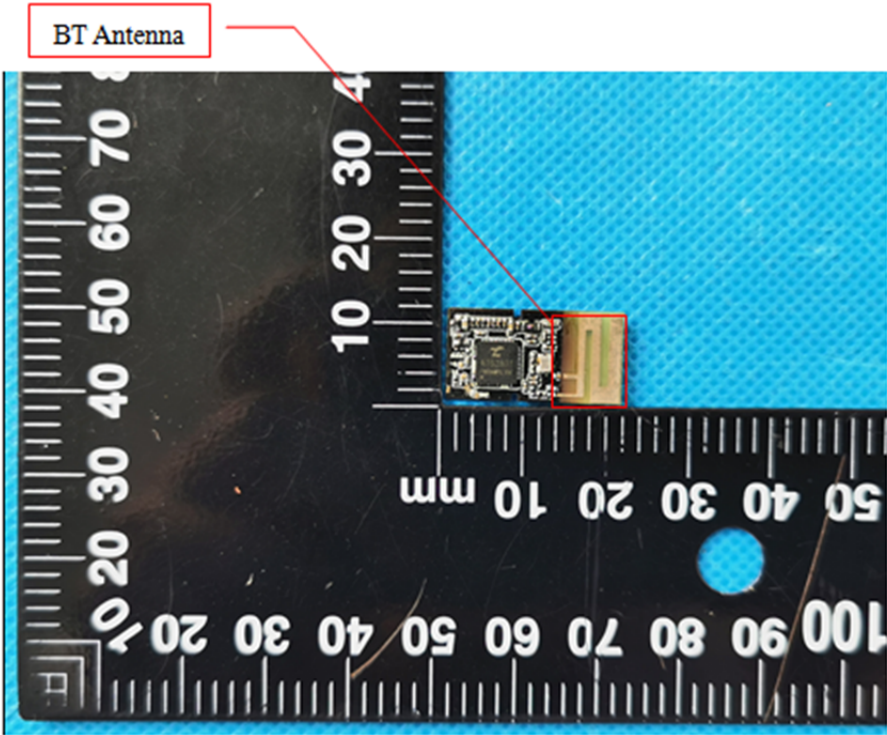

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p>EUT Housing and Board View 1</p>	 A photograph showing four electronic components on a blue textured surface. Two black plastic housing pieces are at the top, and a small PCB with a gold connector and a silver USB connector are at the bottom. A black ruler with white markings is placed vertically and horizontally for scale. The vertical ruler shows markings from 0 to 100 mm, and the horizontal ruler shows markings from 0 to 100 mm.
<p>Solder Board-Component View 1</p>	 A close-up photograph of a small PCB component with a gold connector, resting on a blue textured surface. A black ruler with white markings is placed vertically and horizontally for scale. The vertical ruler shows markings from 0 to 80 mm, and the horizontal ruler shows markings from 0 to 100 mm.

<p style="text-align: center;">Solder Board-Component View 2</p>	 <p>A photograph showing a component soldered onto a blue PCB. A black ruler with white markings is placed below the component for scale. The component is a small, rectangular module with a gold-colored connector on the right side. The ruler shows markings from 0 to 100 mm.</p>
<p style="text-align: center;">Antenna View</p>	 <p>A photograph showing the same component from a different angle, highlighting the antenna area. A red box labeled "BT Antenna" points to the antenna structure on the component. The component is soldered onto a blue PCB. A black ruler with white markings is placed below the component for scale. The ruler shows markings from 0 to 100 mm.</p>
