Solder  
Board-Component View  
1

<p style="text-align: center;"><b>Solder Board-Component View</b> 2</p>	 <p>A photograph of a green PCB component with a ruler for scale. The ruler is placed vertically on the left side of the component, with markings from 0 to 100 mm. The PCB is oriented horizontally. Various components are visible, including a BT antenna, a P-MOSFET, and a Soldering point. The text 'BR005 V0.2 2020-9-21' is printed on the board. A red dot is visible on the right side of the component.</p>
<p style="text-align: center;"><b>Antenna View</b></p>	 <p>A photograph of the same green PCB component with a ruler for scale. The ruler is placed vertically on the left side of the component, with markings from 0 to 100 mm. The PCB is oriented horizontally. A red box highlights the BT Antenna component, which is labeled 'BT Antenna' in a red box above it. A red line points from the label to the antenna. A red dot is visible on the right side of the component.</p>
