FCC ID : 2AGG4DD519A

Date: June 20th, 2019

Please be notified that we, the under signed, Lakeshore Learning Materials, hereby declare that the reasons for this model difference are as below:

Model DD518 is a wireless classroom headphone set which was made up of a transmitter and four headphones. Model DD519 is the same headphone that is designed for using with DD518 as an extra headphone(Extra wireless headphone).

Model DD519 are electrically, functionally and constructionally identical to DD518(headphone part), only for different marketing requirement.

Kristin Vuoso
