Re: FCC ID: 2AGJ3R-8070-800MHZ

Gentlemen,

The equipment meets the requirements of the FCC Rules, Part 90.203(e) and (g), as applicable.

Programming of this product's transmit frequencies can be performed only by the manufacturer or by service/ maintenance personal. The software or firmware required for this is under the control of the manufacturer and only his authorized representatives.

The operator cannot be program transmit frequencies using the equipment's external operation controls.

Sincerely,

L. Molhoek  
Product management  
Rohill Engineering B.V.
