RE: Applicant: Specialty Technologies LLC, FCC ID: 2AGJ44K, Request for supersede of label and cover letter exhibits

Per customer's request, product photo needs to be removed from label exhibit. They are confidential information for marketing purpose. Cover letters are signed following official procedure therefore, we are asking to kindly replace the label and cover letter with revised copies.

Thank you,

A handwritten signature in black ink, appearing to read "Gary Rosenfeld". The signature is written in a cursive style with a large initial "G".
