

Verisure Securitas Direct

GWL-SVK (Siren Voice Keypad for LatAm)

Manufactured at VIDEOTON (Hungary)

Verisure Item 481179
TD P/N PROD1072DLxx

Labelling summary

Version v1.2 : *add additional notes for Product label on page 10.*

August, 16th 2023

--- PCBA Label ---

SVK LABELS DEFINITION

PCBA LABEL(1/2)

➤ PCBA internal traceability label

❶ TD unique PCBA number (*laser engraved, top-right corner*)

Using following internal TD traceability system/numbering
YWWnnnnnF888Z
➔ Included in a 2D barcode (size 6x6mm)

On the right side of each 2D barcode, 3 lines :

Line-1: YWW (Manufacturing Week WW of Year xxxY)

Line-2: nnnnn (unique PCB number within a week)

Line-3: F (Factory code*)
+ 888 (The last 3 digits of the PCB board BORD0XXX**)
+ Z (PCB revision – Letter from A-Z)

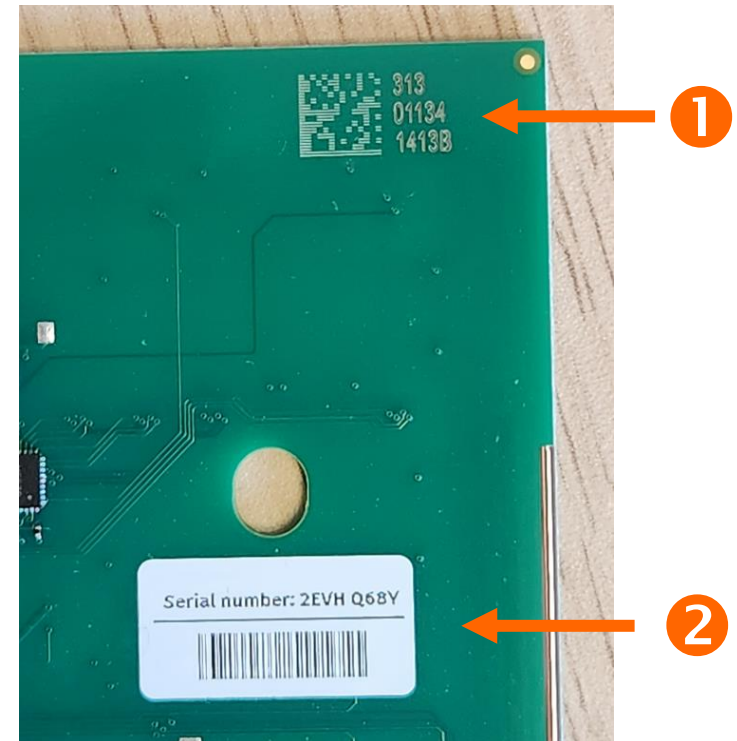

(*) Factory code : F ➔ 1 = Videoton Székesfehérvár (Hungary)

(**) PCB Board number : 888 ➔ see list next page

❷ Verisure Serial number (*printed on label*)

Unique Verisure Unit Serial Number ABCD EFGH
+ code EAN128

PRODUCT LABEL (6/6)

➤ Additional Notes

The product label is located under the bracket of the device

- Before the installation, the bracket is accessible without the use of any tools as the bracket slides upwards.
- After the installation, the label can be accessible by unmounting the device from the bracket.

To do so :

- turn counterclockwise the lock key at the bottom
- remove the battery lid
- unscrew the 2 lock screws on both sides
- detach the device from the bracket.

In this link, you will find an example on how to remove the bracket after installation :
