

AUDIO PRO AB

I, the signer, chao li

The only differences between the two models are that the model number, size of appearance of the shell, and the power supply PCB board. Their main PCB board, RF module and others are electrically identical.

Item Name : WIRELESS MULTIROOM LOUDSPEAKER

Model Number: A38

Additional Model: A28

<Signature>

A handwritten signature in black ink that reads "chao li". The letters are cursive and somewhat slanted.
