Re: Request for confidentiality
FCC ID: 2AGO22740PGC

To whom it may concern,

Pursuant to Sections 0.457(d) and 0.459 of the Commission's Rules, Inspire Medical Systems, Inc. hereby requests long-term confidential treatment of information accompanying this application as outlined below:

- Block Diagram
- Operational Description
- Schematics
- Internal Photos (Telemetry Head)*

***Confidentiality of Internal Photos**

Pursuant to Sections 0.457(d) and 0.459 of the Commission's Rules, internal photos may be eligible for long-term confidentiality in the following circumstance:

- *May be held confidential if the circuit board or internal components are not accessible to users. For example, it is acceptable if the circuit board is enclosed in epoxy.*

The telemetry head of the device (the subject of the filing) is encased in overmolded Thermoplastic elastomer (TPE) and prevents user access to internal components.

Accordingly, Inspire Medical Systems, Inc. requests that the internal photos pertaining to the telemetry head be withheld from public disclosure following grant of the application.

Inspire Medical Systems, Inc. also hereby requests short-term confidential treatment of information accompanying this application as outlined below for a period of 180 days:

- User Manual
- External Photos
- Test Set-up Photographs
- Internal Photos (Programmer Controller)

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to the Applicant and provide unjustified benefits to its competitors.

The Applicant understands that pursuant to Rule 0.457(d)(1)(ii), disclosure of this Application and all accompanying materials will not be made before the date of the Grant for this Application.

Yours sincerely,
