To Whom It May Concern,

Pursuant to the provisions of Sections 0.457 and 0.459 of Commission's rules (47CFR§§0.457, 0.459), we are requesting the Commission to withhold the following attachment(s) as confidential document from public disclosure indefinitely.

- Schematic Diagram
- Block Diagram
- Part List
- Operational Description
- Tune-up Procedure

Documents referenced above contain detailed system and equipment description which are proprietary information in device operations. The public disclosure of above documents will be harmful to our company and will give competitors an unfair advantage in the market.

In additional to above-mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFT §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices. We are requesting the commission to grant short-term confidentiality request on the following attachment(s) for **180** days after the grant as outlined in Public Notice DA 04-1705.

- External Photos
- Internal Photos
- Test Setup Photos
- User Manual

It is our understanding that all measurement test reports, FCC ID label format and correspondence during certification review process cannot be granted as confidential documents. All such information will be made available to the public review when equipment authorization grant is issued.
