

- instruction sheets
- 1) The folded size should be 3"W x 3"H.
  - 2) Please exactly follow all the trim marks and fold marks.
  - 3) Please exactly follow the page in proper order.(The page numbers do not need to print.)
  - 4) Use 128gsm gloss art paper for bulk production.
  - 5) The color of this kind instruction is : 1C(C0M0Y0K100)
  - 6) "S" fold should be used for this item.

<div data-bbox="89 1181 208 1197" data-label="Section-Header"><h3>FCC Statement</h3></div> <div data-bbox="89 1205 611 1666" data-label="Text"><p>This device complies with part 15 and part 18 of the FCC Rules. Operation is Subject To the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not explicitly approved by the party responsible for compliance could void the user's authority to operate this equipment. Note: this equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 and part 18 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and candidate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p></div>	<div data-bbox="665 1181 1184 1391" data-label="List-Group"><ul style="list-style-type: none"><li>• Reorient or relocate the receiving antenna.</li><li>• Increase the separation between the equipment and receiver.</li><li>• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.</li><li>• Consult the dealer or an experienced radio/TV technician for help.</li></ul><p>The equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. During the operation of device a distance of 15 cm surrounding the device and 20 cm above the top surface of the device must be respected.</p><div data-bbox="665 1446 1177 1642" data-label="Text"><p>This device complies with Part 18 of the FCC Rules. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p></div></div>	<div data-bbox="1240 1181 1775 1281" data-label="List-Group"><ul style="list-style-type: none"><li>• Increase the separation between the equipment and any other radio device.</li><li>• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.</li></ul></div> <div data-bbox="1240 1309 1365 1326" data-label="Section-Header"><h3>ISED Statement</h3></div> <div data-bbox="1240 1334 1768 1648" data-label="Text"><p>This device complies with Industry Canada's license-exempt RSSs. Operation is subject to the following two conditions: • This device may not cause interference; and • This device must accept any interference, including interference that may cause undesired operation of the device. Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes: • l'appareil ne doit pas produire de brouillage; • l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.</p></div>	<div data-bbox="1832 1176 2346 1436" data-label="Text"><p>This equipment complies with Canada radiation exposure limits set forth for an uncontrolled environment.
