Columbia, MD 21046

Zurich, 21 August 2017

**Subject: Confidentiality Request regarding application for certification of FCC ID: 2AGUC-LUCP51**

To Whom It May Concern:

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, the applicant hereby requests the following documents submitted with this application for certification be withheld from public disclosure as per Section 0.457 & 0.459 of FCC Rules.

Exhibit Type:

1. Operational Description
2. Block Diagram
3. Schematics
4. Internal Photos

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these materials may be harmful to the applicant and provide unjustified benefits to its competitors.

With respect to the internal photos, we would like to point out the following special conditions which we trust you will find sufficient to grant permanent confidentiality:

- The internal photographs of the devices would allow our competitors to identify key components in our design.
- All sales of these devices are subject to a non-disclosure agreement (NDA). The product is a non-consumer device and customers are required to prevent all non-authorized access to the device to the public as part of their purchase contract obligations. Purchase of the product will be subject to the customer signing a non-disclosure agreement (NDA) which that does not allow the disclosure of internal photographs of the device. Furthermore, the contract of purchase does not allow customers to make the device accessible to third parties without an NDA. Any person in possession of the device will thus be under NDA. We attach an example of the such an NDA as part of this application.

Pursuant to DA04-1705 June 15, 2004 of the Commission's public notice, we also request temporary confidential treatment of information accompanying this application as outlined below:

Exhibit Type:

1. External Photos,
2. Test Setup Photos,
3. User's Manual

Sincerely,

A handwritten signature in black ink, appearing to read "Markus Waibel".

Markus Waibel
