FCC Class II Permissive Change Request Letter

Date: 08/04/2019

To FCC:

RE: FCC Permissive II Change Request for Company: Aegex Technologies LLC. FCC ID:
2AGVY-AEGEX10-LTB01.

We are submitting an application for a class II permissive change to the FCC approval of the Company name: Aegex Technologies LLC., product description: aegex10 Intrinsically Safe Tablet. The tablet itself has not changed. The change is: The mobile network module was changed to Telit LN940A9 (FCC ID: RI7LN940A).

We are asking for Class II Permissive Change because of consistency and listing in the FCC database for visibility to our customers.

A handwritten signature in blue ink, appearing to read 'Istok Robert', with a long horizontal flourish extending to the right.

Sincerely,

Compliance Manager

Istok Robert
