Re: Part 2.933 Change in Identification to FCC ID: 2AGVY-AEGEX10-LTB01, 2AGVY-AEGEX10-LTD01 and 2AGVY-AEGEX10-WLA01

Dear Sir or Madam,

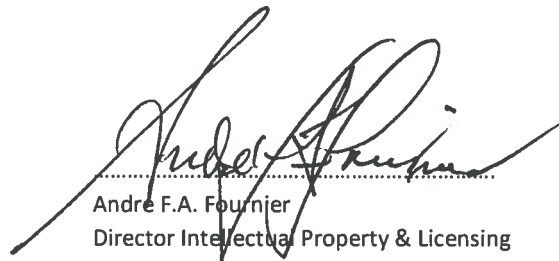

I hereby request a change in identification in accordance to CFR 47 Part 2.933 of the FCC rules. The original identification used on the equipment prior to this application for Change in Identification are INARI10-LTBN-1, INARI10-LTDN-2 and INARI10-WLAN-3. The date of the original grant of the equipment authorization is 28th July 2015

I certify that the equipment bearing the modified identification, FCC ID: 2AGVY-AEGEX10-LTB01, 2AGVY-AEGEX10-LTD01 and 2AGVY-AEGEX10-WLA01, do not differ from the original equipment. The devices are functionally identical with minor electrical enhancements adding additional protection against over-current and over-voltage in case of system failure. These do not impact electrical or radio performance.

I further certify that the original test results continue to be representative of and applicable to the equipment bearing the changed identification.
