BF-IDM16

Model: BF-IDM16
FCC ID: 2AGZY-BFIDM16 **FC** IC
IC: 20739-BFIDM16

Gedruckt auf Etikett 36x10

The complex block contains a technical drawing of the BF-IDM16 connector, showing its internal structure with green and blue lines and a red dashed crosshair. Below the drawing is a label with the model name, FCC and IC IDs, and the FC and IC logos. At the bottom, it specifies the label size as 36x10 mm.
