

<p><b>Solder Board-Component View 11</b></p>	 <p>A microscopic view of a green PCB component. The component is rectangular with rounded corners and features a barcode and the text "M01050-barcode-V10" and "2022-06-15". It is mounted on a blue textured substrate. A ruler with millimeter markings is visible at the bottom and right sides of the component.</p>
<p><b>Solder Board-Component View 12</b></p>	 <p>A microscopic view of a green PCB component, similar to View 11. This view shows the component with gold-plated contacts. The text "M01050-070-module-V10" and "2022-05-23" is visible on the component. It is mounted on a blue textured substrate. A ruler with millimeter markings is visible at the bottom and right sides of the component.</p>
