

<p>Solder Board-Component View 5</p>	 <p>A photograph of a blue printed circuit board (PCB) component, labeled '5', showing various electronic components and solder joints. The board is positioned on a blue textured surface. A black ruler with white markings is placed vertically to the left of the board, showing measurements from 0 to 100 mm. The board's width is approximately 60 mm and its height is approximately 40 mm. The components include a large central chip, several smaller chips, and various connectors.</p>
<p>Solder Board-Component View 6</p>	 <p>A photograph of a blue printed circuit board (PCB) component, labeled '6', showing various electronic components and solder joints. The board is positioned on a blue textured surface. A black ruler with white markings is placed vertically to the left of the board, showing measurements from 0 to 100 mm. The board's width is approximately 60 mm and its height is approximately 40 mm. The components include a large central chip, several smaller chips, and various connectors. The board is oriented horizontally in this view.</p>
