EUT View 1

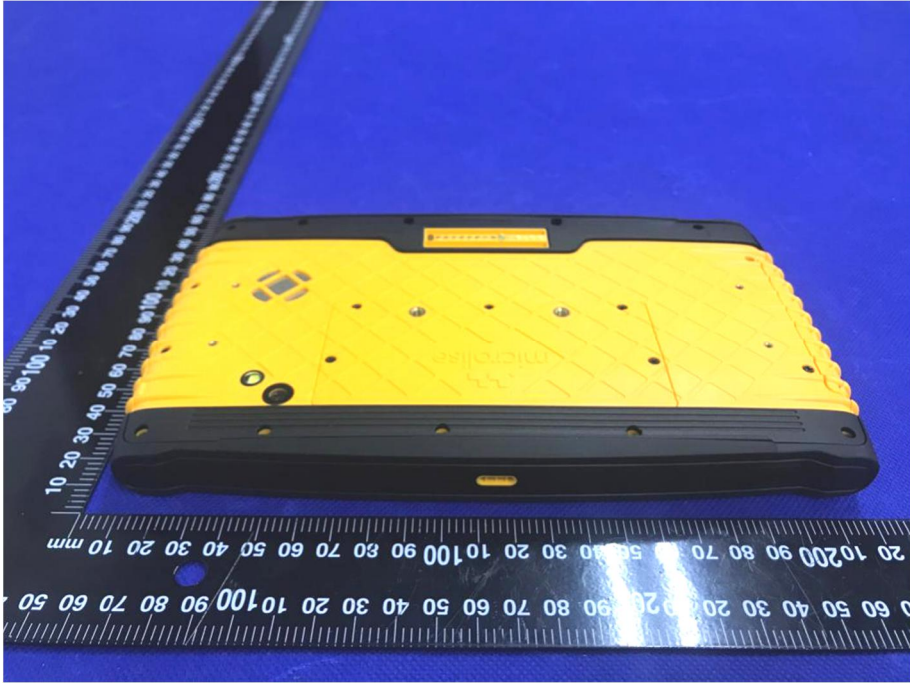

<p>EUT View 2</p>	 <p>A photograph showing the front view of a handheld electronic unit (EUT). The device has a black frame with a yellow border and a central black screen. Below the screen, the brand name "microlise" is printed. To the right of the screen, there are several yellow buttons, including a power button and a directional pad. The device is placed on a blue surface next to a black ruler with white markings for scale.</p>
<p>EUT View 3</p>	 <p>A photograph showing the back view of the handheld electronic unit. The back cover is yellow with a textured, ribbed pattern. There are several screws and a circular lens or sensor on the back. A yellow connector port is visible at the bottom. The device is placed on a blue surface next to a black ruler with white markings for scale.</p>

<p>EUT View 4</p>	 A photograph showing the back of a yellow and black mobile phone. The phone is placed on a blue surface with a black ruler for scale. The ruler shows markings in millimeters and centimeters. The phone's back cover has a textured yellow pattern and a black bottom section with a camera lens and flash. A small yellow label is visible near the bottom edge.
<p>EUT View 5</p>	 A close-up photograph of the bottom edge of the mobile phone. The phone is black with yellow accents. A small black component is attached to the bottom edge. The phone is placed on a blue surface with a black ruler for scale. The ruler shows markings in millimeters and centimeters. The bottom edge features a yellow speaker grille, a USB-C port, and another yellow speaker grille.
