View 2**

<p style="text-align: center;">Solder Board-Component View 1</p>	 <p>A photograph of a blue printed circuit board (PCB) component, model MDT760_MB_V30, revision 2022-1-19. The board is laid flat on a blue textured surface. A black ruler with white markings is placed horizontally below the board, showing measurements in millimeters. The board features various components including a large silver rectangular component, several smaller components, and a connector. Handwritten markings 'A92' and 'G' are visible on the right side of the board.</p>
<p style="text-align: center;">Solder Board-Component View 2</p>	 <p>A photograph of the same blue PCB component as in View 1, but with several large silver rectangular components (likely heat spreaders or shields) attached to the board. The board is laid flat on a blue textured surface. A black ruler with white markings is placed horizontally below the board, showing measurements in millimeters.</p>
