

2/13/2016

FCC ID: 2AHCZ-LEVELMATEPRO
IC: 21137-LEVLIMATEPRO

FCC/IC ID Label, Location and Material, LevelMatePro:

The primary FCC/IC ID is contained in the main product label, located on the top of the device's enclosure. The picture below illustrates:

A secondary ID location is on the top surface of the circuit board, exposed to the user when the top enclosure is removed. See the picture below:

Primary Enclosure Label Materials:

The primary label is composed of a polycarbonate 10 mil label and a 5 mil 3M 468MP high performance adhesive. The label is applied to the enclosure's top cover, which incorporates a label recess area.

Secondary ID label:

The secondary FCC/IC ID location is incorporated into the graphic silk screen applied during the printed circuit board fabrication.
