The Wireless Meat Thermometer

Thank you for choosing The MeatStick X

If you need help, please contact supports support@themeatstick.com

♠ ○ ★ ■ The MeatStick #mymeatstick

FIRST TIME SETUP

1. Open your preferred mobile app store. Search and download "The MeatStick App". You can also find You can also find these instructions on the App.

charger, 2. Place stick on the insert 2 new batteries, click the button to activate your charger. Please charge the stick for a minimum of 4 hours before your first use.

(AA batteries not included)

3. Press the button on the charger to activate the stick. Select the stick in the App and choose your desired cook.

4. You can NOW remove the stick from the charger and insert it completely into the meat, up to the ceramic handle. The stick should be in the thickest part, away from fat and bones.

5. The charger's LED will continue to flash indicating mode is active. Keep the charger range extender within 6ft/2m of your stick to extend the range.

Once your cook is ready, let your meat rest and carefully remove the stick from the meat. Be careful it might be hot!

6. After enjoying your meat, allow the stick to cool down, then clean it to look like new and replace on charger. It will auto turn off when not in use.

The stainless steel stick
