TO WHOM IT MAY CONCERN:

This letter is to confirm that Compumax Computer SAS is a Colombian Company which previously applied for FCC certify XO0CT13 (6034-805-0000), this was a requirement we had to set up for a government project, for technical reasons we didn't get the acceptance, consequently product has never been manufactured or sold anywhere, according to the previous information we suggest that the product be dismissed of the referenced FCC Id 2AHF76034-805-00000

If you need further information, you may contact me at 57 3176435827 or compras@compumax.info
