Subject: Class II Permissive Change for FCC ID: 2AHGSPRXAT1510

Dear Sir/ Madam:

We would like to request a Class II Permissive change for 2AHGSPRXAT1510.
Changes filed under this application are:

1. Addition of antenna assembly

Testing has shown that the changes do not cause the RF parameters to exceed the spec limits and the RF output power remains the same.

Sincerely,

A handwritten signature in blue ink, appearing to read "Sue Whitfield", written in a cursive style.

Sue Whitfield
Sr. Compliance Engineer
