

This justification is application to the TRUE WIRELESS EARBUDS identified as:

Model: TWSEBBLKPRM
FCC ID: 2AHHETWSEBPRM

Since the earbuds is too small to put the FCC even with the front size 4 point, we have to put the related information on the user manual as packaging.

We, THUMBS UP(UK) LTD would like to declare the left and right earbuds are identical in electrical circuit design and PCB layout. The only difference is the different of plastic enclosure.
